Paula - See message I received from Robin regarding the two new Upper Animas WAFs.

As noted in my earlier reply to Robin for the draft WAF documents she forwarded, the two WAF amounts cannot exceed \$150,000 which is the current amount of the Generic DW96958747 IA funding.

The draft WAFs also needed EPA accounting code corrections. I forwarded a copy of the draft WAF documents to Jeff Marsala as a "heads-up" on the corrections to be made.

Jeff and I are standing by to offer any assistance needed for the Upper Animas WAFs - please do not hesitate to call us.

Thanks!

Hi Marvene, I am waiting on Paula to finalize the WAFs for Upper Animas. There is a big meeting with all the EPA and BLM folks this Thurs. that I am facilitating that will inform some of this. If you have any questions, please call Paula.
